

# Item 4 - Proposed Zoning Ordinance Changes to Version 4.4

## Changes or modifications to a Site Plan

### SECTION XIV.8 SITE PLAN REVIEW AND APPROVAL STANDARDS

H. ~~All alterations~~ Alterations or changes, deemed by the Zoning Administrator as significant, to the site plan after review and approval of the Planning Commission must be submitted to the Planning Commission with drawings and other information and approved by the Planning Commission before the changes or alterations can be made. Non-significant changes can be approved by the Zoning administrator.
