Zoning Administrator Tim Cypher was also present.

**AGENDA:** Approved as presented

**BUSINESS:**

Review proposed Future Land Use (Master) Plan

1. Review changes

No major changes just updating and streamlining and making the formatting easier to follow.

2. Review Master Plan punch list

Chapter 7 objectives: Water quality, business tourism, and keeping the relationship with the National Park close.

Bob Ihme has a consultant looking into the bike/car road travel through town.

Parking during the seven – ten weeks of summer is another objective to be considered.

Tim Cypher suggested that Map A-17 be moved to Governmental Map 5-2. The Glen Arbor Park and the Emergency Services building should be shown as Government.

Lance will add as item 4.

3. Discussion

4. Public Comments

5. Pepler moved that the Commission adopt the Master Plan as presented. Plessner supported. 6 ayes 0 nays

The proposed plan must be sent out to utility companies and adjacent townships when approved by the Board.
