Supervisor Laureto thanked people for attending. The purpose of the meeting was for the Glen Lake Fire Department, represented by Chief Bryan Ferguson, to present the budget for fiscal year 2022-2023 to the public.

Chief Ferguson indicated that he had reviewed the proposed budget with ESAC and each township board individually. He indicated that the proposed 2022-2023 budget shows a decrease of \$58,000 over last year's budget. Since all individuals present had already reviewed details of the proposed budget Ferguson took questions on the proposed budget.

Krawzack asked how the capital expense for the new 211 vehicle will be handled. Ferguson explained that a down payment may need to be made in this fiscal year but that the bulk of the payment will be included in next fiscal year's budget.

Lewis asked about the Leland Marine contract and Ferguson explained details of the contract.

P. Laureto asked about the line item for a new server and Ferguson explained the current server is about 10 years old and needs to be replaced.
