IX. Operations Report

There were 51 calls for December, an uptick in call volume due to a wind event and severe weather. They finished up 2025 with 639 calls total. Aaron Brown celebrated 17 years of service, Jeff Hester completed his 6th year with GLFD. Dykgraaf reported on the ACLS/PALS training refreshers have been complete. In addition apparatus repairs, fire extinguisher certifications, and the installation of lights on the new command vehicle have all been completed. They are still working on contract negotiations between the department and the union. The department should soon see new revenue from fire billing. Also, the department received a 50% DNR grant for new fire shelters Wildland Water Packs.

X. Old Business

a. Water Supply in Empire

Fordyce reported that everything we have access to is seasonal. She spoke with Elmers about their pit on Baatz Hulbert Rd, but in winter they do not plow it. The next closest to us is Casey Noonan's place which has a well, but it's a 2" well, which means it would take a very long time to fill a tank. She thinks we need to look at whole picture and wants Chief and Captain involved in the discussions.

b. Chief Update

Dykgraaf provided an update.

XI. New Business

a. None

XII. Board Member Comments

DePuy commended the firefighters involved in the triple fire on Co. Rd. 675. He said it was amazing to see everyone working together.

XIII. Public Comment

None

XIV. Adjournment

Meeting adjourned at 10:20 am.
